THE COMMUNITY SERVICE PICNIC

After weeks of preparation the big Community Service Picnic was brought to a focus yesterday, when large crowds gathered at the beautiful woodland of Forrest Letton, on the Lexington road, near Paris, for an afternoon of enjoyment. The day was threatening part of the time, but the weather man held off and gave them a fair deal.

Preceding the program at the grounds, the Maysville Boys' Band, one of the best musical organizations in the State, delighted the large crowd in the city with a splendid musical program in front of the court house. The band was late in arriving, and necessarily cut short their contemplated program. At the picnic grounds, the following program of exercises was carried out in the presence of one of the largest crowds of the season: Racing from 10:00 a. m. to 10:45 a. m.; Addresses by Major Samuel Wilson, of Lexington, 11:00 a. m.; Dinner, 12:30 p. m.; Dancing, 1:00 to 6:00 p. m., seven-piece orchestra; auction sale of provisions, clothing, etc., conducted by Auctioneers Geo. D. Speakes and Hensel Margolen; 2:00 p. m., Girls' baseball game, 4:30 p. m. Besides these there were other attractions of a nature calculated to amuse the people. The musical program by the Maysville Boys' Band was one of the main features of a most enjoyable day. The games were under the supervision of Miss Grace Cruickshanks, director of the Community Service playgrounds for Paris.

W. G. SWEARENGEN KILLED AT COLUMBUS, OHIO.

While exercising one of his trotters in a "workout" at his training stable, in Columbus, Ohio, Friday morning, W. G. Swearengen, formerly of Paris, one of the best-known trainers in the trotting horse world, was killed by being thrown from his sulky.

Mr. Swearengen had been working out a fast trotter, and was going at a fast gait down the track, when the horse struck a loose panel in the fence surrounding the track, throwing him to the ground and demolishing the sulky. Mr. Swearengen was thrown backward from the vehicle, alighting on the back of his head. He was picked up by attendants who had witnessed the accident and rushed to the Grant Hospital, in Columbus, where an examination disclosed a fractured skull and other injuries. Death came shortly after the injured man was received at the hospital.

Mr. Swearengen was a resident of Paris for many years, afterward moving to Carthage, Ohio, from where he went to Columbus, as trainer of fine trotting horses. He was known all through the turf world as one of the most capable and straightest men who ever handled a rein over a horse's back. He has trained and raced some of the most noted trotters that have stepped over the Grand Circuit, and had the reputation of being a man of unimpeachable probity in the game. It was said of him that no man on the turf had a more intimate knowledge of the good points of a horse than he did.

Mr. Swearengen is survived by his widow, Mrs. Lucy Hunger Swearengen, one son, Earl Swearengen, of Paris; two daughters, Mrs. Julian Howe, of Paris, and Mrs. Douglas Armstrong, of Chicago, and one brother, A. A. Swearengen, of Mendota, Ill.

The body was brought to Paris, Sunday night, accompanied by members of his family, and was taken to the home of Mr. and Mrs. Earl Swearengen, on High street. The funeral was held at 3:30 o'clock yesterday afternoon, with services conducted at the grave in the Paris Cemetery by Rev. Dr. Frank J. Cheek, of Danville. The pall-bearers were Mr. J. Murphy, J. T. Tadlock, Robert Shropshire, Edward Burke, Mr. Peale Collier and Douglas Thomas, Jr.

PARIS BOY GETS MERITED PROMOTION

The Royal Baking Powder Company, New York, has announced that effective September 1, Mr. Sherman R. Snapp, of Paris, will be in charge of all crew work in the Ohio district, as general manager. This announcement was sent to all crew managers informing them of Mr. Snapp's appointment and that they were to give him their support and co-operation in building up a first-class organization.

Mr. Snapp has been with this company since 1912 and during that time has received one promotion after another until he is now advanced as head of the department in which he was at work. Recently he was called to the New York offices for an interview with the president and other officials, following which his promotion was announced.

For five years Mr. Snapp was located in San Francisco, and traveled in all the Western States in the interest of his company. On January 1, he was transferred to Cincinnati in charge of the work there.

CONSTANCE BINNEY IN "FIRST LOVE."

"Peter the Great" is now a member of the personal family of Constance Binney, the attractive and talented little Realart star who will be seen at the Alamo and Grand Wednesday afternoon and night, in "First Love," an entertaining and dramatic romance of a little city factory girl.

The Peter in question is, of course, not the reincarnation of the famous Czar, but a huge Russian wolfhound named for the Emperor and a descendant from the royal Russian kennels.

"First Love" is, however, a story that has nothing to do with Russian wolfhounds, being a tale of humble people to whom such rare and expensive animals would be a real novelty.

Some old toppers talk as if they'd be willing to go to jail so they could hang around the bars.

Cynthiana again assumed the lead in the Blue Grass League struggle by outplaying the Paris Mammoths at all stages of the game Saturday afternoon at League Park, winning out by the score of 7 to 2. Long and Bailey, Cynthiana's twirlers, held Paris to six hits. Mueller and Hurst, Paris pitchers, were touched up for a total of eleven hits. Rhorer and Bomer, of the Cynthiana team, hit out home runs, while Winger, the Mammoth's new third baseman, hit for a home run and a triple. Cynthiana played errorless ball in supporting their pitching staff. The batteries were: For Paris—Mueller, Hurst and Macke; for Cynthiana—Long, Bailey and Barker. Time of game, 2:10. Osborne umpired. Attendance good.

Rain caused postponement of the game scheduled for yesterday afternoon at Mt. Sterling between the Mt. Sterling and Paris teams. The news came to Paris just as the Mammoth's were getting ready to leave. Rather than be disappointed a large delegation of Paris fans went to Winchester to see the game between Winchester and Cynthiana.

The Maysville Bulletin says: "Pitcher Brakefield, former Paris hurler, is now wearing a Cardinal uniform. If Brakefield does as well as Miner, who was formerly with the Mammoths, the local team will welcome him gladly. He is a tall, rangy fellow, and looks as though he ought to have the power to shoot 'em across."

With Miner, former Mammoth twirler, pitching against his former teammates, the Maysville Cardinals stormed the Paris Mammoths on the Maysville grounds in Thursday's game, winning out by the score of 7 to 3. Cotter, who was on the mound for Paris, was not very effective, and the Maysville boys assembled a large bunch of safe hits off his delivery. Wills twirled the eighth inning for the Mammoths. The game was protested in the fifth inning by Manager Wills, when Nippert was thrown out at home, the claim being made that the umpire's decision was an unfavorable one. The game was not an especially brilliant one. The batteries were: For Paris—Cotter, Wills, Macke and Engle; for Maysville—Miner and Connolly. The game went two hours and fifteen minutes, and was umpired by Triebel.

Bert Engle, catcher, a former member of the Lynchburg team, and infielder Heilman, a recruit from the same league, are the latest additions to the Mammoth's forces. They came to Paris with Winger, Cotter and Dehaven, who have each figured in recent games. Engle hails from Norfolk, Va., and Heilman is a member of the Heilman family, of Cincinnati, who have made their mark in baseball.

In the game on the Jacksonville grounds Sunday afternoon, the Escondido team administered a defeat to the Jacksonville team by a score of 5 to 3. Rainey, on the pitching mound for the Escondido team, struck out fifteen men. Escondido tied the score in the eighth inning, and put over the two winning runs in the ninth. Linville pitched for Jacksonville. The battery for Escondido was Rainey and Mitchell. The game was witnessed by a large crowd of interested spectators.

The defeat which Paris sustained at the hands of Cynthiana in Saturday's game was completely wiped out when the two teams clashed at League Park Sunday afternoon. The game was a victory for the Paris team by the score of 7 to 3, due mainly to the masterly pitching of Rumage, and the good support accorded him by his teammates. By defeating Cynthiana Paris tied Cynthiana for first place. Rumage pitched one of the best games seen here this season. Nippert and Engle starred with the stick for Paris. Heilman and Nippert secured two-base hits. One of the largest crowds of the season witnessed the game, which went for two hours and thirty minutes, and was umpired by Osborne. The batteries were: For Paris—Rumage and Macke; for Cynthiana—Long, Mulhollen, Bailey and Barker. The four new recruits, Rumage, Heilman, Engle and Winger worked out in this game, and did "verra well indeed."

PRESBYTERIAN EDUCATIONAL CAMPAIGN PROGRESSING

The Executive Committee of the Presbyterian Educational Campaign voted unanimously to set a quota of \$25,000 for Paris as their share in the one million dollars to be given the nine institutions so essential to Presbyterians in Kentucky.

"From now until the actual solicitation starts," said Mr. M. Peale Collier, Chairman of the Executive Committee yesterday, "we expect to use every possible means in putting this cause clearly and squarely before the Presbyterians of Paris. We have always stressed Christian education and among the things in which we have taken pride is our chain of Christian colleges and institutions. I think it is Christian citizenship that moves us to unite as Presbyterians in a common effort to strengthen our schools and colleges for the good of the church."

Plans are being perfected for the organization of the team heads and teams for the actual solicitation of the money. The Students Rally will be held Tuesday evening at eight o'clock in the church parlors when instructions will be issued by the professors.

SEPTEMBER COURT DAY

The "Court Day" crowd in the city yesterday was somewhat larger than usual, owing to the day being a holiday, and the Community Picnic in Letton's woods offering a means of recreation for the farmers. There was very little livestock on the market, a few horses and cattle changing hands at good prices. Nearly all the business houses closed in the afternoon to give their employees a chance to attend the big picnic, consequently business was rather dull. The usual side attractions peculiar to "Court Day" were on hand, including an itinerant exhorter, who addressed a small crowd on the public square. The intense heat made the day an uncomfortable one for those whose business compelled them to be in the open. In the morning the concert by the Maysville Boys' Band distracted the attention of the "Court Day" attendants for a time.

WALLACE REID IN "THE WORLD'S CHAMPION"

When Wallace Reid, Paramount star, agreed to do the title role of "The World's Champion" from the successful play by Thomas Loudon and A. E. Thomas, as his new starring vehicle, which will be shown at the Alamo and Paris Grand this (Tuesday) afternoon and evening, he drew a large order, for to portray a prizefight champion and to show the pugilist in action in the bout in which he grabs the prize belt, is a stunt that cannot be "faked" before the camera.

Under the clever direction of Phillip E. Rosen, the screens of "The World's Champion" are most realistic and the picture is declared to be highly diverting. J. E. Nash adapted the play to the screen and Mr. Reid is supported by Lois Wilson, Lionel Belmore, Henry Miller, Jr., Helen Dunbar and other players.
